TECNOGAS

01. BRAND	02
02. FREE STANDING	05
03. OVEN	08
04. BUILT IN HOBS	12
05. COOKER HOOD	16

“**T**he first nucleus of Tecnogas was born 60 years ago, in a small workshop on the banks of the Po River, from the genius and the passion of the Contini brothers.

Both in their twenties, the Contini's one day decided to create a revolutionary appliance to cook.

When every manufacturer was making basic devices, Tecnogas integrated the hob and the gas bottle compartment in one single piece, named Mobilfornello, that means furniture-cooker

Before it was just a set of burners, now it is a device and a piece of furniture at the same time: the modern cooker.”

“F ollowing our founders legacy, we still design eye-catching appliances perfect for cooking, and still handcraft them in Gualtieri, in the centre of Emilia Romagna region.”

Emilia Romagna is the Italian quintessence for three reasons.

First, his cuisine is celebrated as the best and consequently Emilia Romagna is the centre of national food business.

We are also good engineers. All the Italian sports cars and motorbikes are made in the region, called the Motor Valley, and everybody here has great confidence with gears and steel

LA PIAZZA DI GUALTIERI

“Nevertheless we are surrounded by masterpieces of fine arts, and even a small place like Gualtieri enjoys a magnificent square as a tangible connection between yesterday and today.

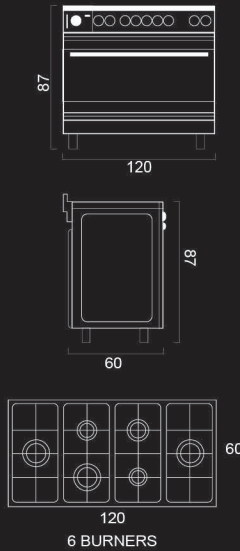

This unique expertise in food, technology and design is the Tecnogas plateau of product development. On the other hand, it is our peculiarity to make strong yet elegant appliances.

These values come true in three families of built-in appliances: Pro, inspired by professional cooking, Next, capturing our engineering spirit, and Deco, a contemporary interpretation of early 1900 talian art.

Three different styles, the same strong and elegant identity.”

PS1X12G6VC

Specification:

- Type Stainless Steel 304
- Thickness 0,7 mm - 0,8 mm
- Dimension: 120 x 87 x 60 cm (W x H x D)
- 6 gas burners with central wok; safety device; ignition under the knob
- Gas oven with gas grill; safety device; ignition under the knob + FAN
- Type of burners brass with wok burner; 5 KW
- Cast Iron pan supports
- Inner door patented with easy removable inner glass
- Long side pillars, Rear splashback
- 60 minutes mechanical timer
- Roasting jack
- Analog oven thermometer
- 1 oven shelf + 1 oven tray, 2 oven lights
- Flat cavity
- Adjustable silver legs

SP1266VGVC

Specification:

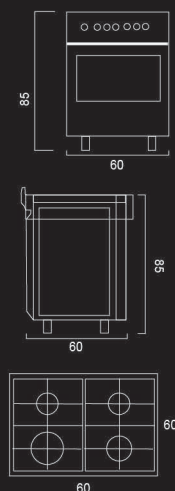

- Top Type Stainless Steel 304
- Thickness 0,7 mm - 0,8 mm
- Dimension: 120 x 87 x 60 cm (W x H x D)
- 6 gas burners on cook top + cast iron griddle plate + Tepanyaki Steel plate
- Type of burners with wok burner; 5 KW
- Cast Iron pan supports
- Electronic ignition for cook top burners, directly controlled by the knobs
- Full safety on cook top burners + oven + grill
- Inner door patented with easy removable inner glass
- Long side pillars, rear splashback
- 60 minutes mechanical timer

Large oven

- Gas oven + gas grill controlled by two separate knobs + FAN
- Electronic ignition for oven and grill burners controlled by two separate knobs
- Closed door grilling
- Roasting jack
- Enamelled tray
- Chromed shelf
- Oven light
- Oven door with 2 glasses

Small oven

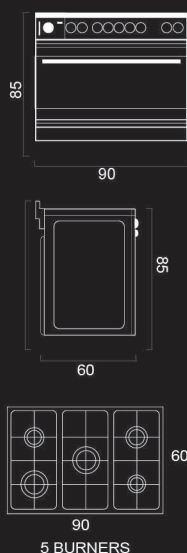

- Conventional oven with grill
- Electric static oven
- Enamelled tray
- Chromed shelf
- Oven light
- Oven door with two glasses

N1X66G4VC

Specification:

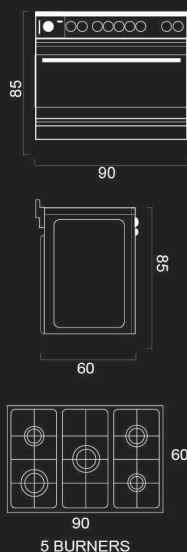

- Type Stainless Steel 304
- Thickness 0,7 mm - 0,8 mm
- Dimension: 60 x 85 x 60 cm (W x H x D)
- 4 gas burners with wok burner on left side; safety device; ignition under the knob
- Gas Oven with gas grill with fan; safety device; ignition under the knob
- Digital oven thermometer
- Cast iron pan support + wok adaptor
- 2 oven shelves + 1 oven tray
- 2 oven lights
- Rear splash back
- Flat cavity
- Adjustable silver legs
- Inner glass oven door
- Glass oven door with stainless steel panel

PG1R96G5VC

Specification:

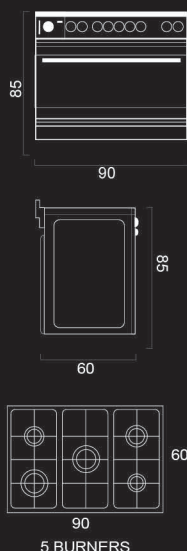

- Type Stainless Steel 304
- Thickness 0,7 mm - 0,8 mm
- Dimension: 90 x 85 x 60 cm (W x H x D)
- 5 gas burners with electronic ignition and safety valves
- Type of burners brass with wok burner ; 5 KW
- Cast iron pan support with wok adaptor
- Oven : gas oven + gas grill + FAN
- Oven and grill controlled by two separate knobs
- Electronic ignition under the knobs
- Safety valves for burners + oven + grill
- Closed door grilling: yes
- Oven light
- Analog oven thermometer
- Rear splash back
- Inner door patented with easy removable inner glass
- Oven with 3 glasses, Oven with 2 Shelves
- Oven enamelled tray: 1
- Roasting jack

PG1G96G5VC

Specification:

- Type Stainless Steel 304
- Thickness 0,7 mm - 0,8 mm
- Dimension: 90 x 85 x 60 cm (W x H x D)
- 5 gas burners with electronic ignition and safety valves
- Type of burners brass with wok burner; 5 KW
- Cast iron pan support with wok adaptor
- Oven : gas oven + gas grill + FAN
- Oven and grill controlled by two separate knobs
- Electronic ignition under the knobs
- Safety valves for burners + oven + grill
- Closed door grilling: Yes
- Oven light
- Analog oven thermometer
- Rear splash back
- Inner door patented with easy removable inner glass
- Oven with 3 glasses, oven with 2 Shelves
- Oven enamelled tray: 1
- Roasting jack

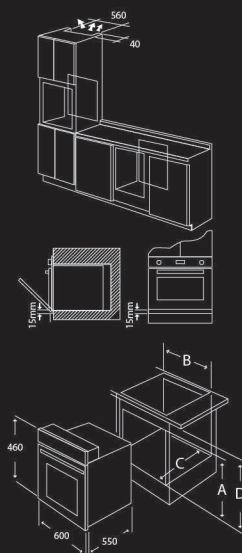

90NEXT1SS

Specification:

- Type Stainless Steel 304
- Thickness 0,7 mm - 0,8 mm
- Dimension: 90 x 85 x 60 cm (W x H x D)
- 5 gas burners with electronic ignition and safety valves
- Type of burners brass with wok burner; 5 KW
- Cast iron pan support with wok adaptor
- Stainless steel plinth: on frontal and lateral sides.
- Oven : gas oven + gas grill + FAN
- Oven and grill controlled by two separate knobs
- Electronic ignition under the knobs
- Safety valves for burners + oven + grill
- Closed door grilling: Yes
- Oven light
- Digital thermometer on control panel included
- Inner door patented with easy removable inner glass
- Oven with 3 glasses, oven with 2 Shelves
- Oven enamelled tray: 1
- Roasting jack
- Meat probe

OVEN

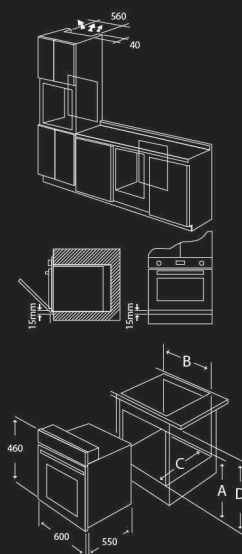

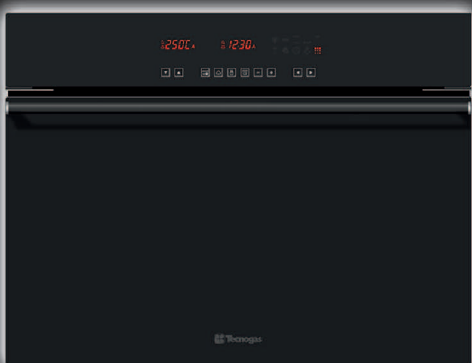

FN0K64S10 - Gastronomic Steam Oven

Specification:

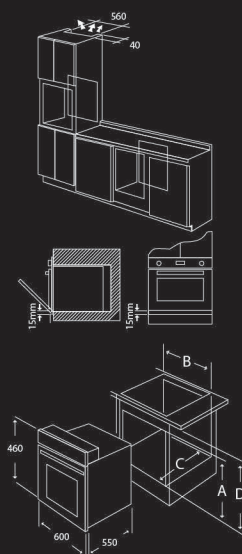

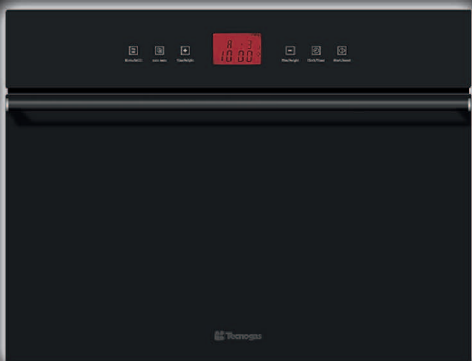

- Dimension 60 x 46 x 55 cm (W x H x D)
- Built in dimension 55,8 x 43,5 x 55 cm (W x H x D)
- Colour: black
- Touch control
- Stainless steel cavity
- Steam cooking
- Hot air cooking
- Combi hot air+steam cooking
- 50 preset cooking recipes
- 10 programmable cooking recipes
- Low temperature cooking
- Regeneration program
- Self cleaning program
- Meat probe
- 3 oven door glasses
- Oven light

FN0K64P10 - Pyrolitic Oven

Specification:

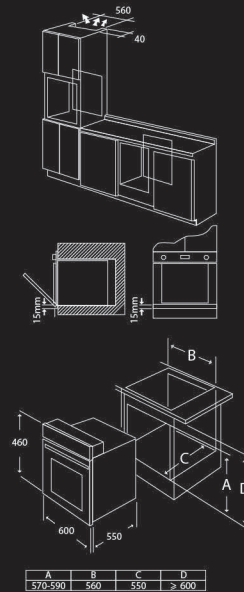

- Dimension 60 x 46 x 55 cm (W x H x D)
- Built in dimension 55,8 x 43,5 x 55 cm (W x H x D)
- Colour: black
- Electronic digital multifunction 10 functions
- Touch control
- Pyrolitic self cleaning
- Full cleaning cycle (180 min)
- Eco cleaning cycle (90 min)
- Automatic safety door lock
- Cool door with removable inner glass; 4 glasses
- Smooth oven interior with easy removable side grids
- Cooling fan
- Pyrolitic cavity enamel
- 1 wire shelf; 1 enamelled tray
- Oven light

MN0K65E - Combi Microwave Oven

Specification:

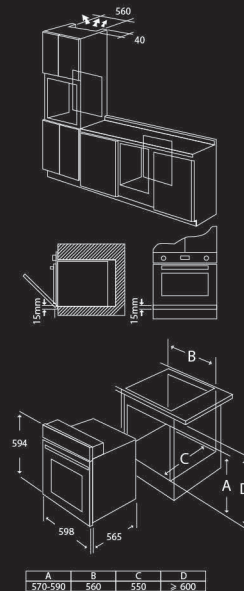

- Dimension 60 x 46 x 55 cm (W x H x D)
- Built in dimension 55,8 x 43,5 x 55 cm (W x H x D)
- Colour: black
- Touch control
- Stainless steel oven cavity
- Microwave cooking
- Electric grill cooking
- Combi microwave + grill cooking
- Defrost
- Auto menu
- Digital programmer
- Glass rotating plate
- 3 oven door glasses
- Oven light

CNOK64-Coffee Machine

Specification:

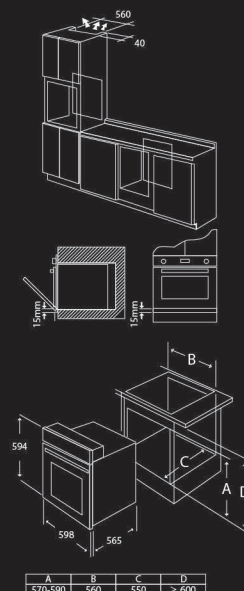

- Dimension: 60 x 46 x 55 cm
- Built in dimension: 55,8 x 43,5 x 55 cm
- Colour: black
- Touch control
- Brass coffee preparation system
- Adjustable grain thickness
- Steam boiler
- Single or double coffee supply selection
- Strong or weak coffee supply selection
- Adjustable coffee dispenser
- Empty water tank indicator
- Full coffee waste drawer indicator
- Water filter
- Led lights

FN2K66G3B - Gas Oven

Specification:

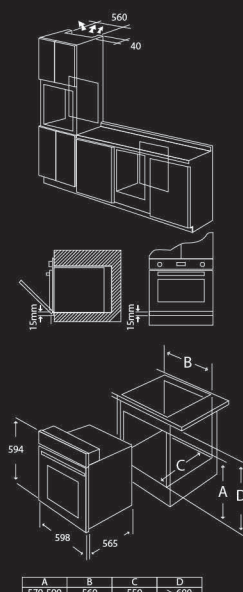

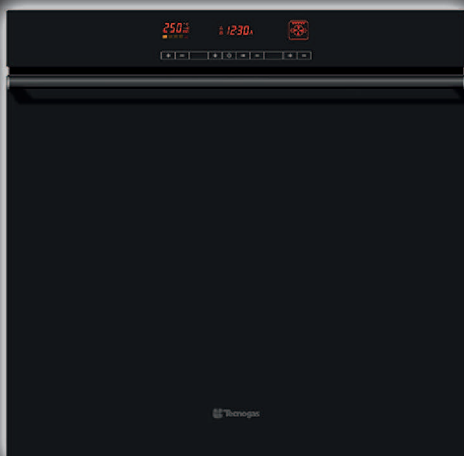

- Dimension: 59,8 x 59,4 x 56,55 cm
- Built in dimension: 54,5 x 59,1 x 54,35 cm
- Black with stainless steel front panel
- 2 Knobs
- Gas fan oven with gas grill
- Electronic one hand ignition
- Safety device
- Digital timer
- 2 oven door glasses
- Cooling fan
- 2 wire shelves + 1 enamelled tray
- Oven light

FN3K66G3X - Gas Oven

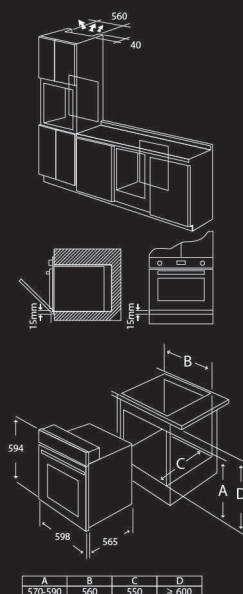

Specification:

- Dimension: 59,8 x 59,4 x 56,55 cm
- Built in dimension: 54,5 x 59,1 x 54,35 cm
- Stainless steel front panel
- 3 Knobs
- Gas fan oven with gas grill
- Electronic one hand ignition
- Safety device
- Analog cut-off timer
- 2 oven door glasses
- Cooling fan
- 2 wire shelves + 1 enamelled tra
- Oven light

FN0K66E11 - Electric

- Specification:
- Dimension: 59,8 x 59,4 x 56,55 cm
 - Built in dimension: 54,5 x 59,1 x 54,35 cm
 - Colour: black
 - Touch control
 - Electronic digital multifunction 11 functions
 - Electric oven digital programmer
 - 3 Oven door glasses
 - Cooling fan
 - 2 Telescopic rails
 - 2 wire shelves + 1 enamelled tray
 - Oven light

FN2K66E9X-Electric

- Specification:
- Dimension: 59,8 x 59,4 x 56,55 cm
 - Built in dimension: 54,5 x 59,1 x 54,35 cm
 - Stainless steel
 - 2 Knobs
 - Electronic digital multifunction 9 functions
 - Electric oven digital programmer
 - 2 Oven door glasses
 - Cooling fan
 - 2 wire shelves + 1 enamelled tray
 - Oven light

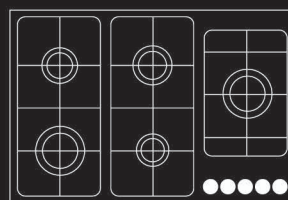

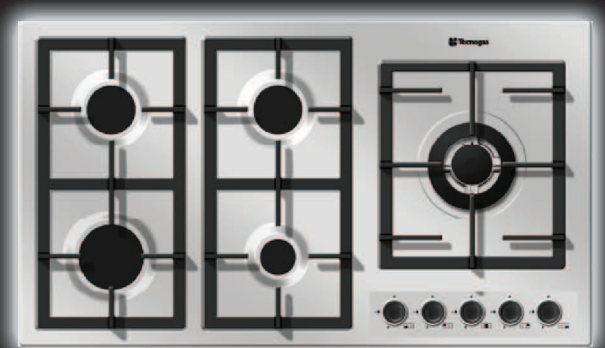

BUILT IN HOBS

PN90GVF5LGX

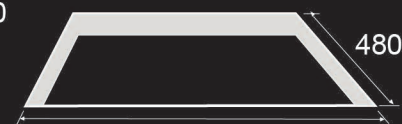

Specification:

- Dimension: 86 x 55 cm
- Built in dimension: 83 x 48 cm
- Stainless steel
- 5 gas burners with wok on the right side; safety device
- Electronic one hand ignition
- Cast iron pan support

860

550

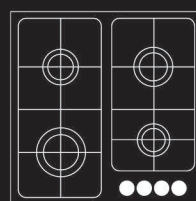

830

480

PN60GVF4FGX

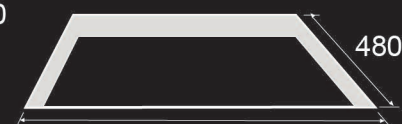

Specification:

- Dimension: 58,5 x 50 cm
- Built in dimension: 56 x 48 cm
- Stainless steel
- 4 gas burners; safety device
- Electronic one hand ignition
- Cast iron pan support

585

500

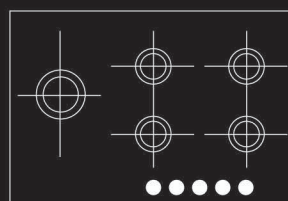

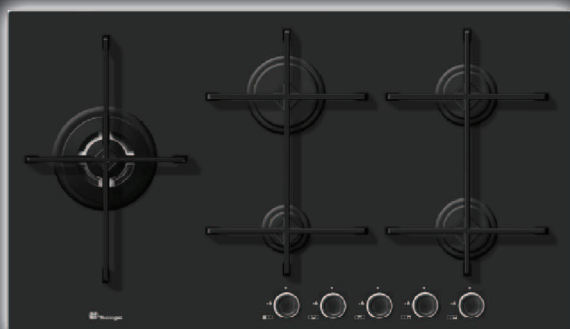

560

480

PN90GVF5LGV

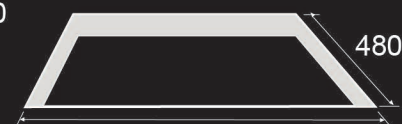

Specification:

- Dimension: 86 x 55 cm
- Built in dimension: 83 x 48 cm
- Colour: black
- 5 gas burners with wok on left side; safety device
- Electronic one hand ignition
- Cast iron pan support

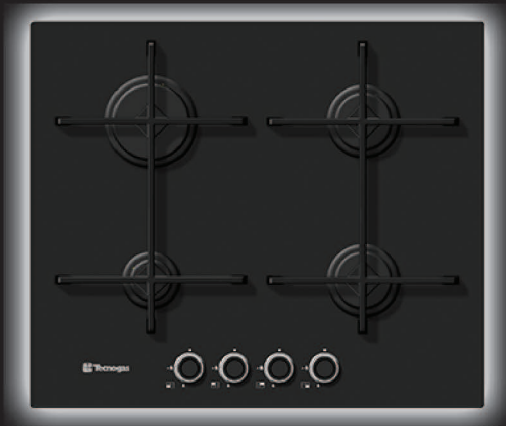

860

550

830

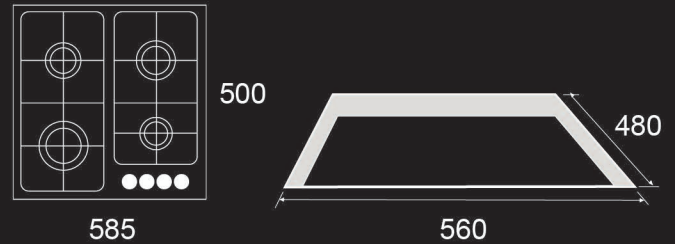

480

PN60GVF4GV

Specification:

- Dimension: 58,5 x 50 cm
- Built in dimension: 56 x 48 cm
- Colour: black
- 4 gas burners
- Safety device
- Electronic one hand ignition
- Cast iron pan support
- As PN90GVF5LGV but with 4 gas burners

PN34FV - Fryer

Specification:

- Dimension: 34 x 51 cm
- Built in dimension: 27 x 49 cm
- Colour: black
- Heating element 2300 W
- Fryer capacity 2,0/2,5 L
- Oil temperature warning light
- Hob operating warning light

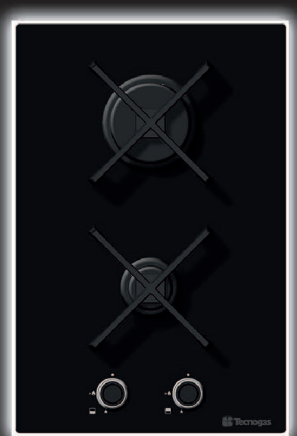

PN34IV - Induction

Specification:

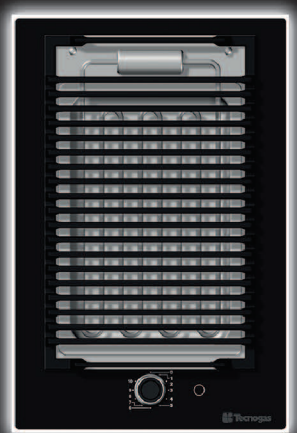

- Dimension: 34 x 51 cm
- Built in dimension: 27 x 49 cm
- Colour: black
- 2 Electric induction zones
- 9 power levels
- 3 Kw maximum power
- Touch control
- Digital timer
- Command lock
- Automatic switch-off
- Pot diameter detector
- Anti- spill safety
- Hob operating warning light

PN34GVF2GV

- Specification:
- Dimension: 34 x 51 cm
 - Built in dimension: 27 x 49 cm
 - Colour: black
 - 2 Gas burners
 - Safety valves
 - Electronic one-touch ignition
 - Cast iron pan support

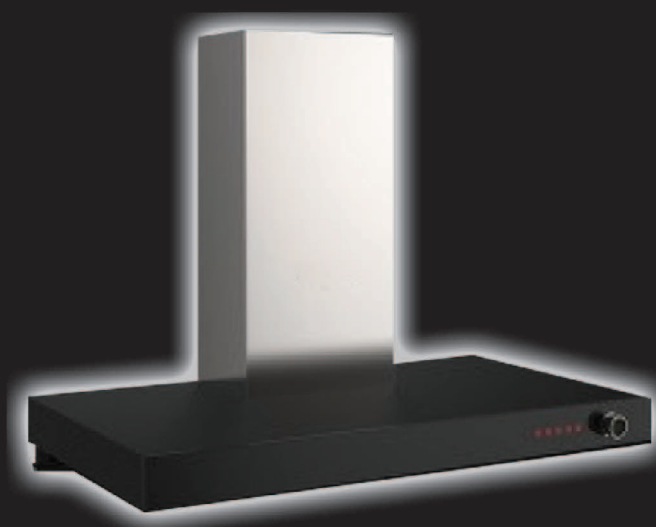

PN34BV - BBQ

- Specification:
- Dimension: 34 x 51 cm
 - Built in dimension: 27 x 49 cm
 - Colour: black
 - 10 Power levels
 - Heating element 2400 W
 - Lavic stone
 - Hob operating warning light

COOKER HOOD

CN190X

Specification:

- 90 cm
- Stainless steel
- Stainless steel black coated filter
- One knob control for hood power (4 speeds) and light
- 2x20 W halogen
- 4 led speed control

CN160X

Specification:

- 60 cm
- Stainless steel
- Stainless steel black coated filter
- One knob control for hood power (4 speeds) and light
- 2x20 W halogen
- 4 led speed control

CP390R

Specification:

- 90 cm
- Red
- No knobs
- 2x20 W halogen
- Stainless steel filter
